PROFESSIONAL EXPERIENCE

HR & People Operations Representative | Dezick Architects

Remote | September 2026 – Present

- Review and harmonise HR documents and people processes to support consistent HR administration across Dezick Architects and Arcfunmi projects.
- Develop and maintain employee documentation, including handbook content, terms of employment, confidentiality documents, staff data and exit/offboarding forms.
- Establish structured digital HR filing and employee-record systems to improve document organisation, accessibility and control.
- Develop recruitment, onboarding and 30/60/90-day integration processes to support a consistent employee experience.
- Support the development of attendance, leave and performance-management frameworks and evaluate suitable HR systems for implementation.
- Contribute to recruitment planning and KPI development for project documentation and other workforce requirements.

HR/Admin | Avario Digitals

Remote | April 2026 – Present

- Maintain accurate HR records and employee documentation, supporting compliance with internal record-keeping requirements.
- Coordinate recruitment activities including CV screening, interview scheduling, onboarding and offboarding, supporting efficient employee transitions.
- Monitor staff attendance and compliance records and support performance evaluation and payroll-preparation processes.
- Manage internal employee communications, administrative follow-ups, and HR requests across remote teams.
- Maintain organised company files and digital HR records and support implementation of company policies and operational procedures.

HR/Admin Intern | Avario Digitals

Hybrid, Lagos, Nigeria | May 2025 – March 2026

- Supported onboarding for new hires, ensuring required forms, records, and policy documents were completed and digitally filed within 48 hours.
- Managed attendance records and compiled monthly reports for payroll processing, achieving 100% on-time reporting compliance.
- Screened CVs and scheduled interviews, reducing candidate response time by 50%.
- Supported the development of a performance review system with clear evaluation criteria and manager feedback tools.
- Created a centralised HR documentation tracker in Microsoft Excel, improving accessibility and reducing duplication.
- Supported statutory compliance documentation and helped ensure regulatory deadlines were not missed.

Data Administrator | Triconna Investment Limited

Remote, Port Harcourt, Nigeria | March 2025 – June 2026

- Maintained property and client databases with 99.9% data accuracy and organised more than 100 client records for efficient retrieval and compliance tracking.
- Designed a simplified property-upload template that reduced data-entry time by 35%.
- Performed weekly backups of critical files, supporting zero data loss.
- Collaborated with sales and administration teams to resolve discrepancies, reducing transaction-documentation errors by 40%.

Administrative Assistant | Triconna Investment Limited
On-site, Port Harcourt, Nigeria | May 2024 – March 2025

- Improved document retrieval speed by 40% by implementing a structured filing system.
- Developed and maintained performance and sales spreadsheets to support management reporting and decision-making.
- Reduced administrative errors by more than 25% through accurate scheduling, record-keeping, and document management.
- Handled client enquiries and administrative coordination while supporting efficient day-to-day office operations.

Customer Care Representative | Flora Stitches
Remote, Anambra, Nigeria | January 2023 – January 2024

- Managed 200+ customer enquiries monthly across digital channels, resolving concerns promptly and maintaining service quality.
- Analysed customer feedback and contributed to two process improvements that streamlined service delivery.
